Oscar Manuel Calderon LLosa Sr., MD  
Av Brasil 3120  
Apartament 2301  
Lima  
PERU

Dear Dr. Calderon Llosa,

I am writing to congratulate you for completing your pollen certification process and to present you with a certificate. You are now a NAB pollen counter. I am pleased to welcome you to the NAB community.

According to our records, you will be counting pollen for the Lima, Peru station.

Please note these comments from the reviewer: "Dr. Calderon Llosa passed the pollen video exam with a score of 93%. He had a few minor errors. He misidentified a few *Alnus* as *Betula*, and his count was one pollen grain off on two others. Overall, this was an excellent exam. The Aerobiology Committee congratulates Dr. Calderon Llosa on becoming pollen certified. Well done!"

Again, I want to congratulate you for becoming a certified NAB pollen counter. The NAB looks forward to working with you.

If you have questions, please contact Melissa Ramsey or Pamela Harris at [nab@aaaai.org](mailto:nab@aaaai.org).

Best wishes,

Leonard Bielory, MD FAAAAI  
Aerobiology Committee Chair
